## **Declaration of Self-Training and Prerequisite Competency Achievements required for the issue of A2 Certificate of Competency**

I hereby confirm the following:

1. I have completed the CAA Drone and model aircraft registration and education service online education package and test and have been issued with a Flyer ID.

My Flyer ID is: \_\_\_\_\_

2. I have completed a period of practical flight training, either under the guidance of an RAE or under 'self-monitored' circumstances, conducted within the operating conditions of subcategory A3 but simulating the operating situations associated with the A2 subcategory.
